

Your Alternative to Knee Pain Surgery - Email #1

Hi %FIRSTNAME%,

Are you tired of dealing with knee pain and think knee replacement surgery is your last chance?

Think again!

You may have heard that recovery times from surgery are 1-2 YEARS. Plus, your "covered by insurance" operation ends up costing \$10k for 2 years of full deductibles!

Fortunately, you aren't out of options to reduce or even eliminate your pain just yet. So if you feel like you've exhausted all diagnostic options, it's time to seek a second opinion from our knee pain specialists. We offer a natural, safe, and effective alternative to knee surgery. Our facility's non-surgical knee program has helped THOUSANDS of patients in our community get out of pain and improve their levels of function.

We only accept a limited number of patients each week into our non-surgical program, so act fast on this REVOLUTIONARY treatment option!

No Drugs. No Surgery. Just Long-Term Pain Relief - Email #2

Hi %FIRSTNAME%,

For too long, knee pain sufferers have relied on medications that merely MASK their pain rather than getting to the root of the problem. These medications have harmful side effects and risks associated with them that people think are unavoidable.

What if I tell you that in as little as five weeks, your knee pain can be SIGNIFICANTLY reduced, even eliminated, without the need for NSAIDs, steroidal anti inflammatory drugs and/or narcotic pain medication?

Our knee treatment is a safe, natural, and effective alternative to the aforementioned drugs and knee surgery. So if you are tired of concealing the pain and riddling yourself with side effects, NOW is the time to learn about our powerful treatment options!

If you haven't scheduled your FREE consultation, [click here to schedule!](#) We look forward to getting your life back on track.

Sincerely,
